GOD BLESS US!!

- This is the order of Worship on Sunday morning
- 9:00am-12:00pm
- People walk 3 or 4 hours to get here, they expect some worship and preaching!

- Jocelyn, Pastor Movel's wife, brings a portable Christian Book Store to these isolated villages
- Probably the only source of books they have
- She also leads, guides, counsels and strongly supports the Pastor's Wives
- I told her that was absolutely critical to their tremendous success – the wives have to pastor the Pastors, so the Pastors can do the amazing things they do!

- As always, giving my testimony and preaching the Gospel
- As Paul wrote, just Jesus and Him Crucified
